

INVESTITURE CEREMONY

‘If your actions inspire others to dream more, learn more, do more and become more, you are a leader. If you can boost the self-esteem of your team and make them believe in themselves, you are a leader. If you can take the frontline when there is danger but put others in front when there is success, you are a leader. If you can take a little more than your share of the blame, and a little less than your share of the credit, you are a leader. If you can lead by example and not by mere words you are truly a leader.’

The investiture ceremony was held on 7th April 2017 for the senior school and 9th April 2017 for the junior school. The student council on this solemn occasion took the oath

- a) to abide by the rules and regulations that govern the institution and to be honest and true to the core values that it stands for.
- b) to carry out the duties and responsibilities entrusted to them with courage and conviction and above all to uphold the integrity of their alma mater,
- c) to honour the faith and trust reposed in them and to work selflessly and tirelessly for the prestige and glory of their school.
