

SUMMER HOLIDAY HOMEWORK

Guidelines:

- 1. All homework has to be done in respective notebook, workbooks and files suggested by subject teacher.**
- 2. The written part should be neatly presented in your own handwriting. Take the help of your parents only when necessary.**
- 3. Revise all the work done till date in all the subjects.**

Few guidelines for parents:

- 1. As parents, kindly motivate and lend support to your children and ensure that they complete the given work well-in-time and to the best of their ability. Your encouragement can actually make a huge difference to the ultimate learning outcome of these projects. We would be happy if parents encourage children to work on their own.**
- 2. Communication skills play a pivotal role in grooming the overall personality of the children. Converse with your child preferably in English to help her get comfortable with the language. Encourage your child to read books and magazines.**
