

HOLIDAY HOMEWORK

CLASS IV

English

My Wildlife Album 🦋🦒

Create a mini wildlife photo album in a scrapbook, based on animals and plants found in the Andaman and Nicobar Islands (Roll number 1-20) and Lakshadweep Islands (Roll number 21-41).

Instructions:

✍️ Write the name of each animal/plant and one interesting fact about it. For example;

- Sea Turtle
 - Dolphin
 - Coconut tree
 - Orchids
 - Crab
 - Hibiscus
 - Papaya plant
- (You can add more to the list)

🎨 Draw / Paste the pictures of animals/plants neatly and decorate the pages creatively.

📎 You may also paste printed pictures to make your album attractive.

📖 Arrange everything beautifully like a real photo album.

A sample photo is attached below: -

Hindi

Roll no. 1 - 20 (अंडमान और निकोबार द्वीप समूह)

Roll no. 21 - 40 (लक्षद्वीप)

1. ऊपर दिए गए Roll no. के अनुसार राज्यों के प्रमुख खान – पान , वेशभूषा , कला और संस्कृति संबंधी चित्र A3 size शीट में चिपकाएँ , वहाँ की संस्कृति के बारे में 10 वाक्यों का अनुच्छेद लिखें और सजाएँ । अपने कार्य को साफ़ – सुथरे , सुंदर और रचनात्मक तरीके से प्रस्तुत करें ।
2. हिंदी सुलेख सरिता पुस्तक का सुंदर लेख में पृष्ठ 35 तक करें ।
3. कक्षा में किए गए कार्य की कक्षा परीक्षा के लिए तैयारी करें ।
4. तेनालीराम और अकबर बीरबल के किस्से पढ़ें ।

Mathematics

A. Dear Students, Imagine that you are going on an exciting trip to Andaman & Nicobar Islands OR Sikkim. Your task is to create one maths word problem based on facts related to your chosen place, such as:

1. Population
2. Area
3. Number of species/animals/birds/plants
4. Tourist places/monuments
5. Any other interesting numbers related to the state.

Instructions:

Choose one place – Andaman & Nicobar Islands or Sikkim. Collect some number facts about it. Create one word problem using those numbers.

Solve the word problem.

Present your work creatively with neat handwriting, colourful borders, drawings of animals (using numbers), or pictures related to your chosen place.

Make your homework colourful, creative, and fun.

Use only A3 size sheet.

Happy learning! ✨

B. Practice addition and subtraction sums daily.

C. Learn multiplication tables 2-15.

EVS

Exploring the Traditional Foods of Andaman & Nicobar Islands (Roll Numbers 1–20) and Lakshadweep Islands (Roll Numbers 21-41).

Search for 3–4 traditional food items from the beautiful Andaman & Nicobar Islands/Lakshadweep Islands (According to your roll number).

For each food item, write:

- The name of the dish
- The ingredients used to prepare it.

Don't forget to paste pictures of the ingredients used in the dishes.

Present your work neatly and creatively in a 3D way , on an A3 size sheet. Sample picture to do the same is shared below:-

Language Lab

1. Complete the assigned homework in the language lab book (Session 1-8)
2. Complete the assignments in the Language lab words worth application.
