

## Summer Holiday Homework – Class V (2024)

### English

1. Prepare the front page of a Newspaper (Design it yourself, include self-composed poems, articles, news, stories, weather report, etc...) on a chart paper/A3 size sheet.
2. Do cursive writing 1 page daily.
3. Read the newspaper daily.
4. Watch good English movies.
5. Revise all the topics done in the classroom for the coming Unit Test.
6. Read storybooks written by Sudha Murthy, Ruskin Bond, R.K Narayan, Enid Blyton, J.K Rowling, etc.

### Hindi

१. अंडमान निकोबार द्वीप की राजधानी पोर्ट ब्लेयर में बनी हुई सेलूल्यर जेल के बारे में १० या १२ वाक्यों का A4 SIZE SHEET पर अनुच्छेद लिखें और चित्र चिपकाएँ ।
२. हिंदी सुलेख माला पुस्तक का सुंदर लेख में पृष्ठ २५ तक करें ।
३. Periodic Test के लिए कक्षा में किए गए कार्य की तैयारी करें ।
४. तेनालीराम व अकबर बीरबल के किस्से पढ़ें ।

### Mathematics

1. Revise and Practice all the topics taught in class till now.
2. Learn multiplication tables 2 to 20 thoroughly.
3. **For Roll Numbers 1-20**

Use A3 size sheet and use your creativity to decorate the sheet according to the question's theme. The table below shows the number of tourists who visited the Andaman and Nicobar Islands in the last three years.

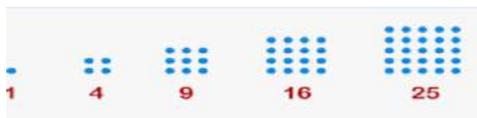

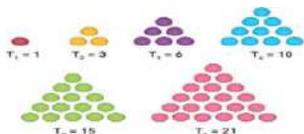

Year	No of Tourists	Round up to the nearest ten	Round up to the nearest hundred	Round up to the nearest thousand
2021	24587923			
2022	39817634			
2023	51037865			

A) Round up the given number of tourists to the nearest ten, hundred and thousand.

B) Find the total number of tourists who visited Andaman and Nicobar Islands (when rounded to the nearest hundred) in the last three years?

#### For Roll Numbers 21- last

Depict the first six triangular numbers and first five square numbers by pasting bindis or stone stickers on a A-3 size sheet. Example:

## Science

Make a model on the topic given according to your squad.

Squad	Topic
Jyoti	Working model of Hinge Joint
Preeti	Working model of Ball and socket joint
Shanti	3D model of Seed dispersal by wind or water
Neeti	3D model of Seed dispersal by animals or explosion

**NOTE: - DO NOT USE THERMOCOL**

## Social Studies

- 1.Revise the lessons done in the class for the coming Periodic Test. (L-1 & L-2)
- 2.Make a small model of any one historical monument of India (Such as the Red Fort, Qutub Minar, Taj Mahal or any other) using waste materials.

## General Knowledge

Revise all the topics done in the class.

## Craft

**It is time to show your creativity. Make a beautiful article with waste material.**

**The pictures are attached for your reference:-**
